

Nursery - Colouring Competition

'The EARTH without ART is just EH.'

Keeping this in mind and to explore the young minds of our Pre-Primary children an Inter House colouring competition for Nursery children was conducted on 12th July 2018. The children showcased their creative skills in colouring and came up with amazing art work. Colouring promotion fine art and enhance fine motor skills. The little artists had the freedom to select the colours of their creativity to try and produce their best work. The competition lasted for thirty minutes. Students enjoyed colouring and exhibited fine art work. The fun they all had in participating in colouring competition is certainly going to add a new innings to their colourful childhood memories. From each section 4 winners were announced. The students were judged by the talented students from senior wings.
