

In order to be successful in making the right career choices, planning is required. Students can get anxious on these matters and can end up making the wrong decisions, so it is important to be able to guide them to the right path.

We at DPS Hyderabad strive to ensure that students receive the right kind of exposure and clarity on matters of high importance. Students receive help with:

<ul style="list-style-type: none"> Finalizing course & country where the students want to study 	<ul style="list-style-type: none"> Deadlines for associated tests and applications
<ul style="list-style-type: none"> Psychometric Test & Stream Selector Tests 	<ul style="list-style-type: none"> Scholarships & funding options
<ul style="list-style-type: none"> Indian and International college options 	<ul style="list-style-type: none"> Interactions with universities, experts and counselor
