

DELHI PUBLIC SCHOOL HYDERABAD

Mission & Vision

The School will be the well spring of collaborative learning adopting information technology tools through individual and collective activity.

The endeavour is to inculcate values so that the rich heritage of our culture is secure in the hands of the new generation and promote harmony and spirit of unity.

The ideology is to strive for wellness in society through its students by the practice of yoga and healthy dietary habits, all of this in full transparency and involvement of all the stake holders in keeping with our motto 'service before self'.
