

INTER-HOUSE FINGER PAINTING CONTEST – AUGUST, 2022-23

As wonderfully quoted by Pablo Picasso “Every child is an artist”

We at DPS, Hyderabad also believe that every child has an ocean of inner strengths which includes various expertise & creativity. And to nurture this creativity an inter-house contest was organized on 10th August 2022. Finger printing contest for Nursery and free hand drawing and colouring contest for the ‘Prep’ was conducted.

The little artist from Nursery practiced finger printing on flowers, a day prior to the contest. Kids showed keen interest while working with colours.

Children participated in contest with great interest and enthusiasm. It was a wonderful sight to see our tiny tots dipping their fingers in various colours of paint and carefully creating their finger prints on the given picture. Prizes were given to the children with the criteria for those who could print with their little fingers neatly inside the picture within the space.

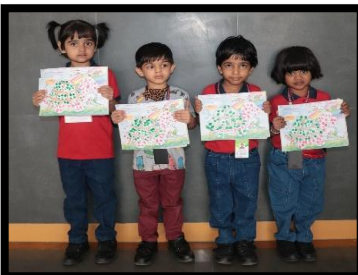

On the other hand, freehand drawing and colouring contest was organized for the ‘Prep’ children. The theme for the contest was, “Har Ghar Tiranga”. They were asked to draw houses with the flag flying on the top and colour them. Children showed beautiful pictures and used vibrant colours to enhance them. A day prior to the contest, a practice session was organized for the children.

The little artists participated in the competition with great zeal and at the same time took great care to colour their masterpieces with their creativity. This contest helped in building self-expression, colour recognition, fine motor skills, coordination focus, and boundaries in the children. It was a pleasure to watch these young minds working with such ease with colours.

This fun-filled activity witnessed enthusiastic participation by all students.
