"Creativity is a natural extension of our enthusiasm"

- Earl Nightingale

*To build a healthy spirit of competition & team spirit amongst students, the first Inter-House Competition was held in DPS, Hyderabad on Tuesday 5th July, 2022 in the Senior Secondary campus. The competition was organised for the students of Class XI and XII. It was overwhelming to see the enthusiasm and creativity shown by the students. The theme of the competition was, "**Kalakriti**"- **Expressions through Art & Craft**. The topics were 'Freedom & Social Change, 'Human and the Environment Industry', 'Invention and Progress and 'Fit India'. Each house formed separate groups and presented their work in the form of posters, collage, paintings and Rangoli. The students displayed a variety of techniques and subjects to express their interpretation on the topics.*

All the students of grade XI and XII participated in this competition wholeheartedly. The inter house competitions have a great positive impact on students to enhance their creativity. These competitions help children develop their self-esteem, motivation, confidence and team spirit. The judgement criteria for this competition were decided keeping in mind various aspects like aesthetic appeal, creativity, presentation and originality. From each section, the best group was selected as the winner and runner up for the consolation prize. This was truly an experience worth cherishing for the participants.
