

DELHI PUBLIC SCHOOL HYDERABAD

SENIOR SECONDARY WING

Opening Day Assembly(13th June 2022)

“The secret of change is to focus all of your energy not on fighting the old, but on building the new”

As the tranquil morning of the 13th of June, 2022, dawned upon the students of the Senior Secondary wing of Delhi Public School, Hyderabad, they collectively gathered in the new campus’s assembly ground to commemorate its joyous and convivial inception. The assembly was enthusiastically attended by The Principal Ms Geetha Vishwanathan, Vice Principal Ms Rajyalakshmi, all faculty and the audience – which consisted of the newest batch of grade 11 as well as grade 12 students— and the participants who devoted their utmost to presenting an assembly that witnessed such a diverse array of talent and creative exhibition

The assembly began on an auspicious note with a prayer rendered by the Principal, Mrs. Geetha Vishwanathan ma’am, followed by an introductory salutation by the Vice Head Boy, Aryan. Thereafter, a melodious sloka, sung by Godha and played by Bhaavik on the flute captivated the audience’s attention in its profound gesture to the almighty. Following the conclusion of the sloka, as a bid to uphold our timeless tradition, it was time for the unfurling of the National Flag and the School Flag. The Head Boy, the Head Girl, the Vice Head Boys, and the Vice Head Girls, too, accompanied Principal ma’am, Vice Principal ma’am, and the Coordinators, in the honours of doing so. As the students witnessed the National Flag and the School Flag flying in unison under the radiant sky, they remained enraptured with an enduring sense of duty and pride towards their school and country. It was then time for the news, wherein its speakers, Sai Bhaskar, Jibraan, Anuj, Sahiti, and Harsh, promptly updated all viewers with the latest happenings from all around the world. As

we reached the highlight of the theme behind the day's assembly, 'Reflections', a short note on the significance of reflecting upon one's path was rendered by the Head Girl, Amrutha. Varsha then recited a poem written by Srija on that very theme, bringing out a symbolism between the vast ocean and the reflection of the sky. A Hindi poem, "Koshish karne Walon ki haar nahi hoti", too, was recited by Riya. As the main segment of the assembly was brought to an end, Rithwik, the Head Boy, requested ma'am to felicitate the awardees of the Annual Inter-DPS Quiz Competition, Lasya and Karthik, who had made the school proud with their outstanding achievements. As the assembly reached its conclusion, Principal ma'am enlightened us all with her words of wisdom as she underscored the importance of propriety and disciplinary measures that are to be followed in the school, while also inspiring everyone to look forward to the shared experiences in the all-new gorgeous campus. At long last, it was time for the announcement of the long-awaited prefectural board who were to be charged with their immense responsibilities with the onset of the new academic session and stand as a symbol of excellence for all. Finally, the delightful assembly was brought to a closure with exulting applause as the Vice Head Girl, Tanvi, rendered the Thought for the Day.

To assay to the spirits contained in the hearts of students that were gathered on this very special occasion in the chronicles of our school is a task far too arduous for any mere expression in a few words or so, but is better left off to the students who shall, indeed, progress forward to uphold the venerable significance of their illustrious school.

The assembly and the words that echoed in the morning, however, can be a satisfactory assurance for the days of mirth and triumph that the Senior Secondary wing of the academic session 2022-23, the founding batch of the new campus, shall undeniably realize in the forthcoming days.
