

Delhi Public School, Hyderabad

Special Assembly- 30th January, 2020

A Report

The morning of 30th January, 2020 witnessed one of the year's mega events when about three hundred students of grade seven presented the Special Assembly to mark the occasion of National Constitution Day. The assembly was part of the weeklong celebration

undertaken by Delhi Public School, Hyderabad.

The Assembly epitomised vigour, passion, beauty, melody and patriotic fervour. The Constitution and its development being the main

theme of the assembly, it showcased the political scenario prior and post

independence. The freedom struggles that led to the British emancipating India from their clutches; the childhood of Dr. Ambedkar, his painful experiences of discrimination and atrocities during his early age were depicted through heart touching enactments.

The audience included the students of grade five and six. They made their appreciation heard with their thunderous applause.

The Principal Mrs. Geeta Vishwanathan, in her overwhelming appreciating words said that she was proud of the students for their spirit in infusing such hard work and passion into making the show a grand success. In her message on the significance of the Republic Day, she appealed to the young minds to make the nation's interest a priority in each one's life.

The entire presentation was stupendous and can be considered one of the best shows of the academic year 2019-'20.
