

# DELHI PUBLIC SCHOOL Hyderabad DIPSCOOP

March, 2018

Vol. VIII Issue 10

**Dear Parents,**

Welcome to last edition of dipscoop for year 2017-18. As the year comes to an end, don't look back on yesterday's disappointments, look ahead to promises yet to unfold.

## **Class: X Farewell**

It is said "Every ending has a new beginning", and it was with this feeling in mind that the students of class X arrived for their Tilak Ceremony in their best attires. There were goodbyes, but with an optimism and a promise to meet again. The ceremony was held in the dining hall . The event started with an excellent welcome address by student of class IX followed by a prayer song. There was an air of festivity, gratitude and emotions were high. The students of class X received the tilak from their respective class teachers. It was the distinguishing values of DPS students, who touched the feet of their teachers in order to seek their blessings for all of their future endeavours.

A short inspiring message from our respected Director of Academics, Rekha Aggarwala ma'am was displayed who stressed on the importance of conviction one must have in whatever they do. The Principal Mrs. Geeta Vishwanathan also spoke a few words on values and ethics learnt in school. A short presentation was shown to the students, who were reminded of the years they had spent in DPS, some who had called this place "a second home" ever since they could speak.

As we look to the new year, hold on to what is good and let go of what is bad.

***We wish Class X and XII students best luck for their board exams.***
