### **Au Revoir – So long Farewell**

It is that time of the year again when Delhi Public School Hyderabad bids adieu to another batch of 12<sup>th</sup> graders. Amidst celebrations and tearful goodbyes, the students of class XI bid an emotional farewell to their seniors on 12<sup>th</sup> February, 2016. As is the norm, the 11<sup>th</sup> graders put up a one hour show to give a festive send off to their seniors.

The juniors first gave a guard of honour for their seniors who arrived in their formal wear. The programme then kicked off with a prayer song and was followed by an enthralling performance by the band. This was followed by the customary Tilak Ceremony, where teachers blessed students and wished them luck for their upcoming exams and their future. Next was a musical drama which encapsulated school life through scenes and dances. The dance group then displayed a power-packed performance as a tribute to their seniors. Next on the show were guessing games which provided fun and entertainment to the audience. The event concluded with a power point presentation which took everyone on a trip down memory lane. The presentation portrayed the entire school journey of the 12<sup>th</sup> graders, from 2002 to the present day. This presentation evoked a sense of nostalgia of the good times spent at school. The Principal Ms. Rekha Aggarwala addressed the students and urged them to brace themselves for the future with a need to accomplish and with a heart filled with humility.

The programme concluded with the outgoing batch delivering their final thanksgiving as they recounted their days in the school and looking ahead to the future. The seniors thoroughly enjoyed the show put up by their juniors.

*Life is a journey with problems to solve, lessons to learn, but most of all experiences to enjoy. The year 2015-2016 has been an enjoyable journey and we look forward with renewed vigour and enthusiasm, for as Paul Romer aptly said, "Possibilities do not add up. They multiply" and we at DPS Hyderabad are looking forward to explore them.*
