ASSEMBLY BY CLASSES XII C & D

THEME: "VASUDHAIVA KUTUMBHAKAM" – The world is one family

Classes XII C and XII D presented an assembly on the topic "Vasudhaiva Kutumbakam- the world is one family" on 28th March, 2019. The students aimed at presenting the importance of unity in diversity through this assembly.

First, a beautiful prayer "Daya kar daan vidya ka....." was presented by the choir to seek the blessings of the Almighty. The audience was made aware of the happenings around the world with news presented by some students of XII C and XII D.

Following this, a declamation of the famous speech by Swami Vivekananda given at the Parliament of Religions in Chicago in 1893 was presented by Reuben Cherian. Swami Vivekananda's inspirational words and awakening thoughts that still stand valid in today's world made everyone understand the power of unity despite differences.

Then proceeded the main element of the day - the mime. The students of both the sections had showcased a fantastic masterpiece. The mime gave the audience the message that 'despite our differences we can join hands with each other and make our strengths more effective and weaknesses almost irrelevant. And the entire world acts in our favour.'

The choir then presented a beautiful rendition of the song "We are one nation..." which made everyone enjoy the rhythm in unity, instilling in them the sense of oneness.

The event concluded with an inspiring poem titled "Beauty in Diversity", written and rendered by Eeshna Dashottar. The poet implored us to forget our differences and join hands to move forward and succeed, for togetherness makes even the mountains move.

Following this, thought of the day was presented and the assembly came to an end with the vote of thanks.

The assembly has given the students the message of unity and also taught them that all the difficult tasks can be accomplished if we work together forgetting all the differences we share.
