Class Nursery C & D

**Date:18 December 2019**

“Be the change you want to see in this world and feel proud to be an Indian”. With this thought, the youngest dipsites of Nursery C & D presented a “Cultural Fest - Aahvaan” on 18<sup>th</sup> December 2019, to promote cultural heritage and traditions of our Nation.

The cheerful morning began by invoking the God’s blessings with a prayer song, sung by our ever-cherubic children followed by the news of the day. The budding artists enthralled the audience with their confident enactment of poem and a soulful rendition of “who made the stars” which touched the hearts of all. The highlight of the day was well synchronized Penguin mass drill. The little dipsites looked adorable dressed up as penguins for the mass drill. Novelty races depicting various aspects of cultures were organized for the children and ever enthusiastic parents, where they exalted the audience with the mesmerizing sporting skills. The program culminated with the vote of thanks and National Anthem. The event was highly appreciated by one and all.

There was a display of art work done by the students where the culture of India was displayed through various art forms.

As we know, cultural awareness and participation plays an integral role in a student’s life and to give all the students an opportunity to involve in culturally enriching activities, a weeklong “Cultural Fest Week “was organized for our vivacious little dipsites as a theme of the month with a predominant objective of nurturing their special talents, through art work-depicting different cultures of India, creative games, free exploration day which included- picture talk on India’s culture and traditions. Children carried handmade craft work of their choice as a take away.

This platform provided a vast canvas to the children to experience myriad of experiences through participation in various activities
