## Gift Wrapping Competition

seeds, cotton etc).

A Gift Wrapping Inter House Competition was conducted for Std IV students on 30<sup>th</sup> March, 2016.

The aim of this competition was to develop creativity, improve motor skills and visualization among students. The students were asked to avoid purchase of readymade material and focus on recycled and eco-friendly products. Suggested materials were coconut shell, fiber, nut shells, pebbles, pulses,

All the students brought the required material and participated very enthusiastically.

Three parents were invited to Judge the competition: Mrs. Babita, Mrs. Malati and Mrs. Shikha Bhatia. They were very happy to see 100% participation and more than glad that the school was promoting use of eco-friendly products and discouraging use of expensive ready-made stuff.

Judges spent time with the students as they worked, to help make a prudent decision. Points allotted were summed up and three prizes and a consolation prize were decided in each section decided.
