

Grade XII Inter House Competition

Inter-House competition for the students of class 12 was conducted on 27th March 2019 to showcase the musical genius and creativity of the students. One team from each house composed and performed a song on a topic of their choice. Though there had been just one winner, but the performance of all the groups was commendable with each song possessing a deep and meaningful message.

The First performance of the Day was by Sapphire House. Their performance on "Phir se uddchalla" truly encapsulated the essence of the mistakes we make in the journey in life, and our effort to move ahead and learn from those mistakes. This performance had a perfect blend of the lyrical worlds of both English and Hindi. This was followed by the performance by the Emerald House; a breath-taking performance on "One step at a time", which reflected upon the conscious decisions that we must take in life and its far-reaching consequences. This performance also included a special rap bit, which won the hearts of both, the judges and the audience.

The Ruby House performed next with its strong message of the consequences of meaningless war leading to hatred and violence. The last Performance was by Topaz House, on the theme of "Procrastination". which the audience could relate to. The Performance included a largely English based lyrical scheme. It also included a bit of Hindi Rap.

The students enjoyed this extra-curricular activity that helped to mould their in-built musical talent. Every effort was made to outshine each other. It was fascinating to witness all the participants who kept the audience enthralled.

The competition was judged by Ms. Sangeetha and Ms. Parvathy who were impressed by their creativity, imagination and innovation. The results, declared by the judges, saw Emerald house as the winner of the competition, and Ruby house in the runners-up position.

This Competition really stirred the musical creativity that the students possessed and was a stress buster from their hectic schedules. It was, overall, an enchanting experience and a positive way to begin one's day.
