

Delhi Public School, Hyderabad

Class V Inter-House Competition – Slogan Writing (Environment)

Date: 22nd June 2019

“The power of the pen is not in the colour of ink it spills; but the power of the word it spells.”

-Vinod Narayan

India, world’s fastest growing economy stares at some very challenging environmental issues like – Air pollution, Water pollution, Garbage management, Unchecked use of plastic, Loss of Biodiversity and ground water depletion. Responsibility of handling these challenges not only lies with the government but needs an active participation from each and everyone of us.

Schools can play an important role in creating awareness among children, thereby generating awareness in their families. One such step is to conduct interesting competitions to build students’ interest. An inter-house competition – “**Slogan Writing**” based on theme – ‘**Environment**’ was conducted for students of Grade V on June 22nd, 2019.

Students were asked to write a slogan in any one language of their choice – Hindi, Telugu or English. They not only came up with catchy slogans but supported their work with few drawings of environment. Five best entries from each section were selected. The competition was judged by Mrs. Lakshmi Samal and Mrs Ruchi Gulati. The first, second and third positions were given to winners from each section to acknowledge their hard work.
