REPORT

An Inter-House competition was held for the students of class XII 27th March 2019 to showcase the musical genius and creativity of the students

on "One step at a time",

which truly reflected upon the

conscious decisions that

we must take in

Life and its far

reaching

consequences. This

performance also included a special rap

bit, which won the

hearts of both the judges and the audience.

The Ruby House performed next with its strong message of the consequences of meaningless war leading to hatred and violence. The last Performance was by Topaz House, on the theme of "Procrastination".

The Performance

included a largely

English based

lyrical scheme. It

also included a bit of Hindi Rap.

The students enjoyed this extra-curricular activity that helped to mold their inbuilt musical talent. Every effort was made to outshine each other. It was fascinating to witness all the participants who kept the audience enthralled.
