

## YEAR BOOK

**‘Sometimes you will never know the true value of a moment until it becomes a memory.’**

The first issue of Yearbook at DPS Hyderabad for Grade XII was released by Pro-Vice Chairman and Academic Director of the school. This was a surprise gift from the students of grade XI to their seniors, the Class of '18. It is a treasure trove of wisdom from the teachers and advice from the seniors.

The several pictures that fill the pages of this memoir will serve as a reminder of the halcyon days -those happy and stimulating days that will forever be the source of energy for these Dipsites. The diligent work of the editorial team, Mrs Raina Bhatt, Anusha Choudhary, Sanya Sharma, Disha Atukuri and Ajay Saradhi Uppaluri, has resulted in this remarkable collection that will surely bring a smile to the faces of these Dipsites whenever they look at it. The cover page was designed by Tanish Goel. The innumerable photographs utilised in this memoir were carefully selected by the team from amongst the endless photographs taken by Mr. Jagan Mohan.

DPS Hyderabad wishes Good luck to all the graduating students. Hoping that the education, values, friendships and the mentorship they received at DPS Hyderabad will stand them in good stead in the future.
