

DELHI PUBLIC SCHOOL, HYDERABAD
QUIZ CONTEST CLASS : PREP

To enhance the skills of the little dipsites of Prep, an Inter-section quiz contest - "Quest" was held on 1st February, 2016.

The intelligence of the kids was tested by basic questions on Maths, English and general awareness topics like sports and current affairs.

The quiz was conducted among six teams, which had four students each. The teams were named after famous mathematicians, namely:

Prep A : *Ramanujan*
Prep B : *Mahavira*
Prep C : *Shakuntala*
Prep D : *Aryabhatta*
Prep E : *Brahmagupta*
Prep F : *Madhava*

The teams were judged through the six rounds, which are as follows :

Round 1 : Quiz biz round, where each team were asked One question.

Round 2 : Audio/Visual, where each team was supposed to select any one out of eight numbers. Each number had questions of different genre and the children were asked to identify the pictures or sounds represented by that number.

Round 3 : Solve the puzzle, in which the team had to arrange the puzzle correctly.

Round 4 : Musical Round, wherein the students were to supposed to identify the song for the music played.

Round 5 : Buzzer round, in which six questions were asked and the team which pressed the buzzer first was given the chance to answer.

Round 6 : Rapid fire round, in which fourteen questions were asked to each team in a minutes' time.

While the above rounds were going on, the audience also took keen interest in answering the questions which were passed on to them.
